TWILIGHT HEART

They say that the heart is the window to the soul and that the night reveals the true heart. In the light, we show the person we want others to see us as, but the darkness reveals the genuine person. By day, I'm an unambitious woman, 5' 8", with a girl-next-door look. My soft brown hair comes down to my shoulders, and not many would think twice about me. But by night, I'm a fierce and powerful woman who knows how to get what she wants, often with nothing more than a smoldering stare.

The darkest of my desires is married women, especially ones who will make their husbands watch us play in front of them. It's almost more of a turn-on for me to watch the husbands go through their range of emotions, from jealousy to rage to horny, as I make their wives sing and scream in ways their men didn't even know possible. Most of the time, it's just an exercise in enjoying myself in a peculiar way, but there will always be one who grabbed my heart and made me start screaming and singing in ways I didn't know possible.

Rori was an extraordinary woman whom I met through a community college class. She was a few years older than me, looking to change careers while I was starting life. We hit it off as we worked on a group project together. Several late nights and far too many cups of coffee made us fast friends that quickly grew into something more. She was sweet and tender with the experience of knowing that those traits didn't always work. When needed, she could turn fierce and powerful instantly with a fire in her eyes that few could quell, including me.

One particularly late night, we worked at her apartment well into the morning. We were exhausted, but it was getting close to the due date, so we pushed on as long as possible. But when I started falling asleep on the project, she suggested I stay over for the night, so I didn't have to risk driving home. Instead, she led me back to her bedroom, where we both collapsed.

About halfway through the night, I woke up to feel her arms around me. I'd never been with another woman, but her arms were strong and protective. And I couldn't help but feel a sense of pleasure at the feeling of her fingers lightly grazing over my nipple. It felt so good that it didn't even register immediately that she was reaching up into my shirt to fondle me. I tried to turn, but she kept me in position, at least for the moment. Then, in my ear, I heard her whisper to stay quiet as her hand drifted slowly down my chest and reached under my waistbands, tracing along the freshly shaved bush that sent new waves of pleasure through me. I couldn't help but let out a soft, long moan. She shushed me again, even as her fingers continued to dive closer to my eager clit and pussy. I moved my hips and waist, pressing back against her and letting my hands reach

Busty Beauty Benz...

Up here in the cold North, it's very hard to see a woman's body in real life. The summers afford us guys a short window of fleshy skin to adore. And when you see a busty babe, which are few and far between, you can't stop staring. As a boob man, I've debated moving to Southern California many a time and just hanging out at the beaches. When I see babes like Nikki Benz flipping off their tops, my cock gets out of control. I know they're enhanced, but damn, just look at them and tell me you don't want to motorboat, or shove your cock between them?!?

I moved down her body, trying out some of the moves and maneuvers she used on me, experimenting and finding the spots she reacted to.

back, but she was in control.

She found my spots quickly, inside and out, including several I didn't know I had. Each one came close to drawing a moan, but she taught me well; if I didn't make a sound, I was rewarded with more of her touch. And it wasn't until she was ready that I was allowed to turn around and face her. Almost instantly, our lips locked as I pulled her naked body close to me. Though I'd never seen her this way, I now saw a flawless person, a little taller than me, with flowing golden hair, eyes of deep passion, and something else I couldn't quite place. I didn't worry about it as I moved down her body, trying out some of the moves and maneuvers she used on me, experimenting and finding the spots she reacted to. Like her, when she stayed quiet, I gave her more: more of my tongue lashing over her erect nipples, more of my fingers digging deep into her wet pussy, more exploring her taint and even ass. And most importantly, more kisses.

It was perfection. A beautiful night turned into many for the rest of the term before she told me a profound truth: she was married, but I was the one she wanted. I couldn't believe it, and for a while, I refused to. We haven't seen each other since the end of that term, but now I think about her each time I lay with a woman in front of her husband, sharing a secret joy and pleasure in each other's eyes that he'll never know.

– Taylor P., Jacksonville, FL

TAPE DELAY

I'm dating myself by writing this letter, but what the hell. There's no crime in getting old. Live long enough and it'll happen to you, too.

Anyway, this happened my freshman year in college. My academic counselor had told me about an option for students who preferred to learn independently.

Video courses—yeah, I'm talking about VHS tapes here—were being offered for some of the prerequisites, stuff like English Composition and Art Appreciation and Intro to Psychology.

It sounded too good to be true. They gave you this box of tapes, a whole semester's worth, and all you had to do was sit in your dorm room and drink beer and watch the tapes and do your assignments and so on and so forth.

"You're kidding, right?" I had asked my counselor. "What's the catch?"

He had laughed. "No catch, Ms. Dorr. Of course, this option is only recommended for self disciplined students who can work independently."

"I see."

"Does this describe you, Ms. Dorr?"

"You bet it does," I had replied.

The rest was history. Well, not really. More like English. I had tried to sign up for more video courses but my counselor wouldn't let me. He said one was enough, for starters. Then, depending on how it went, I could sign up for more the following semester.

I still remember that day as vividly as ever. I'm old, sure, but my mind is pretty good. My roommate had gone home for the weekend, so I thought it the perfect time to get some work done. Having bought a six-pack of beer with my fake ID, I popped open a cold one, took a long pull, and slid the first tape into my VCR.

The course was being taught by Dr. Pamela Fuller, some young hotshot English professor from the northeast. I had seen her around campus a few times, but

There she was, Dr. Fuller, sitting in her office chair with her legs spread, giving me an up close and personal view of her rather hairy snatch!

we had never met. She was highly attractive. And definitely a lesbian. It takes one to know one, after all. But I'm getting ahead of myself. Back to the dorm room . . .

Working on my beer, I sat there on the floor with my back against the wall, hoping against hope that the taped lecture wouldn't put me to sleep.

It didn't.

Far from it.

Hell, I actually choked on my beer when the lecture began. There she was, Dr. Fuller, sitting in her office chair with her legs spread, giving me an up close and personal view of her rather hairy snatch!

Sputtering and coughing, suds ran down my chin as I questioned my sanity. Surely I was hallucinating. I rubbed my eyes and blinked repeatedly, all to no avail.

I wasn't seeing things. This was the real deal.

Imagine my surprise when Dr. Fuller placed one foot atop her desk and retrieved a dildo from the top drawer. As if this wasn't enough, she looked directly into the camera and said, "I'm so glad you're in my class, Dotty. I'm looking forward to a wonderful semester."

I'm Dotty, by the way.

Dotty Dorr.

And yes, I flipped out when Dr. Fuller addressed me personally. The tape had been customized for yours truly. I had picked up the box of tapes that morning from the secretary in the English Department. Clearly, Dr. Fuller had known which box was mine.

No longer interested in drinking beer, I watching the "lecture" with increasing excitement; surely my eyes were as big as saucers, my mouth gaping, as Dr. Fuller worked the dildo into her pretty little professorial pussy.

"I hope this isn't too forward," she said from my television screen. "I had a wonderful time making this video for you. Somehow—well, somehow I just knew that you would like it . . ."

She worked the dildo with a deft touch, plunging it in and out of her cunt, all the while encouraging me to do the same. "You must have a good toy, Dotty. I'm sure you do."

She was right, of course. I had a real humdinger of a dildo, a top-of-the line number I had ordered from the back of a lesbian porno magazine—yes, I actually ordered the thing by filling out a paper form with a ballpoint pen and sending a money order via postal mail.

Heart hammering, I plucked the toy from my nightstand drawer and undressed hastily. Then, sitting on the edge of my twin bed, I spread my coltish legs—well, they used to be—and pushed the thick phallus into my tight eighteen-year-old twat. I had never been so hot, never so utterly turned on in all my life. To this day, that episode in my dorm room remains one of the greatest sexual experiences of my life.

Dr. Fuller and I became really close that semester, so much so that she made me her teaching assistant. She taught me so much, as a teacher, boss, and lover.

Thanks to her I became a pretty decent writer. You may find some of my work online, and, if I'm lucky, a major bookstore near you. I've developed mad writing skills, and none too shabby when it comes to eating pussy!

"The police see me as a dangerous vigilante, a menace to society..."

Cape, Cowl, and Hard Cock

A woman's scream.

A purse snatcher fleeing on foot.

Monty pursuing the punk into an alley.

WHAM!

That's as much as he could recall. From that point forward all was deepest black. The punk, Monty thought, the purse snatcher. The cretin must've waited just inside the alley, waylaid him as soon as he had turned the corner.

So much for saving the day . . .

Monty—operating under the guise of "Street Sweep"—had failed for the first time in his crime fighting career.

It was a horrible feeling. The woman whose scream had catapulted him into action—well, he had failed her; no doubt the punk had gotten away scot-free.

Street Sweep—Monty McDowell's superhero alter ego—had choked with a capital C. He felt grossly inept, ashamed even; but such thoughts were promptly cast aside by the more pressing matter of self-preservation.

"My costume," Monty muttered at his battered reflection. "What happened to my..."

Somebody had pulled him from the alley, brought him here to this room, undressed him, put him to bed . . .

"He's up," a female voice carried from the bedroom. There was something strangely familiar about the voice. Monty turned from the mirror. He exited the bathroom with haste, receiving quite the jolt. The woman, holding his freshly laundered and folded costume, greeted him with a familiar smile.

"How are you feeling?" she asked with genuine concern.

Stunned into silence, Monty stood there with gaping mouth. It was Margaret O'Leary, his coworker.

"Quite the coincidence, huh?"

"I'll say," replied Monty.

He was sitting on the bed, facing his colleague who, having claimed the room's only chair, had just concluded her story.

Turns out Margaret O'Leary had been the victim of the purse snatcher. Having witnessed Street Sweep materialize from the shadows in pursuit of the offender, she had followed the superhero and his quarry into the alley with hopes of reclaiming her purse. Instead she had found the crime fighter unconscious and sprawled on the grimy pavement, the purse snatcher nowhere in sight.

"I'm sorry I couldn't reclaim your purse."

"Its okay," Margaret told him. "You tried. I'm just glad you're going to be all right. Things could've ended very badly in that alley."

Now Margaret said, "Curiosity got the best of me, so I removed your cowl. Of course I was shocked. I almost fainted when I saw your face. And I thought about calling the police, but then I remembered all those news stories about how they were looking to arrest you for taking the law into your own hands—"

"The police see me as a dangerous vigilante, a menace to society hardly better than the criminals I hunt."

"They would've locked you up," Margaret said, "and it would've been my fault. I agree with what you're doing, Monty. I always have."

"I'm sorry I couldn't reclaim your purse."

"Its okay," Margaret told him. "You tried. I'm just glad you're going to be all right. Things could've ended very badly in that alley."

"How did you get me back to your apartment?"

"As luck would have it that alley is behind my building. I half-dragged, half-car-

ried you through the back door, then took the service elevator up here to my place. It was late. Nobody saw a thing."

Of course there was a very large elephant in the room. Margaret knew Street Sweep's real identity; she worked with Monty five days a week at a large downtown advertising firm. Could he trust her to remain silent? She seemed highly supportive of his cause, but one could never be sure. For all he knew she had taken incriminating photos of him unconscious and wearing his costume. The city's major news outlets would pay a hefty sum for such pics.

Noticing the concern on his face, Margaret said, "What's wrong, Monty? Are you feeling okay?"

"You can't say a word about this, Margaret, not a word—family, friends, folks at work, nobody can know."

"I won't," she assured him, "just so long as you—well, I was thinking maybe we could . . ."

"What?"

"I don't know quite how to say this."

"Just say it."

"I've—uh—um—"

"Spill it, Margaret."

"I've got a thing for superheroes. They make me so hot I can barely stand it." She laughed at herself before continuing. "I can't believe I'm telling you this, but I actually masturbate to comic books. Weird, huh? Porn is okay, but nothing compares to the adventures of my favorite superheroes. And now that I actually know one, actually have one right here in my apartment—well, it would be a shame if we didn't take advantage of the situation and . . ."

Monty couldn't believe what he was hearing. Margaret wanted a poke in exchange for her silence. Talk about brazen! Not that he was opposed to the prospect. Margaret was a good looking piece, a buxom Irish beauty with alabaster skin and radiant red hair. He had always considered her one of the hottest chicks at the office.

"Of course I'll fuck you, Margaret. I'd love to."

"Sure you're not too tired? You took quite a blow in that alley. I'll understand if you—"

"Pussy," he said, "will make me feel like a new man."

Margaret smiled. "I was hoping you'd say that."

Monty's black eye was awfully painful,

Margaret undressed with slutty panache, peeling her casual clothing with deliberate slowness. She saved her spectacular tits for last. The mere sight of those mammoth jugs revved his heart rate.

but the rest of his body was just fine. More than fine, he thought, to do my hot coworker good and proper. So that's what he did; though not before Margaret treated him to a seductive striptease.

Plush pillow propped behind his head, legs stretched to their full length, Monty lay on the bed and rubbed his cock through the soft material of his boxer shorts. Margaret undressed with slutty panache, peeling her casual clothing with deliberate slowness. She saved her spectacular tits for last. The mere sight of those mammoth jugs revved his heart rate.

Joining Monty in bed, Margaret lay beside him and pushed his hand away, taking control of the masturbatory duties. Sliding a hand beneath the waistband of his shorts, she grasped his prick and proceeded to pump him, nice and slow, encouraged by the instant stiffening of his manhood.

Monty had a nice dick, perfectly proportioned—not too small, not too big—and she yearned to have it inside her. Still, she stroked him patiently, letting the excitement build, hers and his.

Eyeing Margaret's tits hungrily, Monty explored her best feature with nimble fingers, rubbing and prodding the soft flesh before taking a conical nipple in his mouth. He sucked one, nibbled the other, all the while sliding a hand down her flat stomach.

Margaret sighed when his fingers found her pussy. He explored her moist sex, rubbing her lips before plunging a digit inside her. Still feasting on her tits, Monty worked the finger in and out, faster and faster. The volume and frequency of her sighs increasing, she responded in kind, upping the pace of her hand until she had achieved a frenzied jerking motion.

It was time, Monty knew, time to give

his superhero-loving coworker the reaming she craved . . .

Having rolled on top of her, Monty pushed his cock inside Margaret. She moaned delightedly, spreading her legs and raising her knees, splaying herself for what was sure to be the most magnificent lay of her life.

Monty thrust his hips. Margaret had a nice pussy. Tight. Wet. He savored the wondrous sensations of its snug embrace. She moved with him, writhing rhythmically beneath his chiseled body. He fucked her aggressively, each jab forceful and deep. Margaret's fingers dug into his shoulders, his back, then cupped his powerful buttocks. She pushed him inside her as he hammered her hot hole.

Margaret was impressed with Monty's stamina. The intense physical training required of being a superhero served him well in the sack. Street Sweep possessed no special powers. He couldn't fly, couldn't shoot laser beams from his eyes, nor fireballs from his fists, but he was incredibly fit and highly skilled in s hand-to-hand combat methods.

Last night's flop with the purse snatcher was the sole blemish on an otherwise spotless record. Margaret couldn't fault him for that. He had risked his life to retrieve her belongings. That he had failed to do so made him all the more human, all the more appealing.

She gave herself to him fully. "Take me from behind," she urged him. "Do me doggy, baby."

Monty flipped her over. On all fours, Margaret peered at him over her freckled shoulder. "One more request," she remarked, "and I'll shut up."

"Anything," Monty replied.

Margaret had a big ass to compliment her big tits, big and soft and creamy white. Monty pounded her with ferocity. The slap-slap-slap of their fornicating bodies melded with the sounds of late morning traffic...

"Your cape," she said, "and cowl. Put them on. Will you do that for me, baby?"

"Of course."

Monty hopped off the bed, retrieved the freshly laundered garments from atop a walnut dresser, and made the transformation—at least in part—into Street Sweep.

The sight of Monty sporting cape and cowl coupled with his muscular chest, washboard abs, and sizable cock turned Margaret on in a way she had never been turned on before. Her pussy was dripping by the time he mounted her from the rear.

Hands holding her shapely hips, Monty/Street Sweep proceeded to bang her from behind, granting her the doggy rutting his coworker had requested. Margaret had a big ass to compliment her big tits, big and soft and creamy white. Monty pounded her with ferocity. The slap-slap-slap of their fornicating bodies melded with the sounds of late morning traffic on the street six floors below.

There was a mirror above the dresser. Monty/Street Sweep regarded his reflection as he tapped Margaret's ginger gash. He would have laughed at the ridiculousness of his image—the black cape and cowl contrasting sharply with his white skin—had he not been on the brink of blowing a serious load.

"Shit!" Monty/Street Sweep bellowed. "Oh, Fuck!"

He pulled out and nestled his glistening rod between Margaret's soft cheeks. His balls emptied. Cum, thick and creamy, jetted from his hose. Her big bum took it all.

"Put something on that eye," Margaret told him, "as soon as you get home."

The curtains were drawn open, the window raised all the way. Street Sweep was thankful for his clean uniform; the detergent smelled of lilac.

He vaulted through the window and ran across the roof of the apartment building, his cape billowing in the breeze. Margaret watched his departure with awe.

Work would never be the same. But Monty's secret was safe with her. Just so long as Street Sweep supplied her with regular sex...

And who knew?

One of these days he might need a sidekick. After all, crime was on the rise.

Margaret was all smiles when she turned from the window. An emerald cape, she thought, would go great with her red hair.

Jasmine

I just want you all to know that I am not that type of girl. I'm more like this type of girl: I've been shy all my life. Really! I fooled around a little but each time the guy wanted to take it further, I froze. I had big boobs from early on and guys always wanted to touch them. Now I welcome it. And so today, I'm gonna let two guys touch them, and more.
